## March 2019

### GROWING UP WITH SAT-7 KIDS

“Hello to the SAT-7 KIDS team! I've been following SAT-7 KIDS since I was eight years old. From the first time I watched SAT-7 KIDS, I loved the presenters and the programs. I especially love the songs, which are very beautiful. I also love all the cartoon programs on your channel. I am now eighteen years old, I have been following your channel for ten years! I still don't get bored watching you. I feel that you are my second family. While my family was too busy and didn't teach me about Jesus, you did. You were my teachers, sisters, and brothers.”

I really wanted to communicate with you a long time ago, but I didn't have a way to communicate. I needed to tell you how much I love each one of you. God bless you! No words can express my love for you and the effect you had in my life.”

# GOD ANSWERS PRAYERS

**Many Turkish viewers contact SAT-7 TÜRK’s Power of Prayer program with prayer requests. They also share encouraging testimonies of answered prayers.**

“These are a huge blessing for us,” says Nora Isoğlu, a member of the SAT-7 TÜRK staff, passionately. “When we hear these testimonies, we understand, ‘Yes, God really is working everywhere.’ As a result, we can pray with more faith and conviction today.”

Cevdet, a viewer from Turkey, shares such a testimony, encouraging the SAT-7 TÜRK staff.

“Thank you for calling me back. The last time we talked, I had many problems. I asked you to pray for me, and we prayed together. When I was talking to you, I had serious back pains, but an hour later, they were gone!”

I have some spiritual problems, I feel uneasy and feel like I am under the influence of evil spirits. However, in recent weeks, especially after you prayed for me, I have started to feel much better. I thank God that He has answered my prayers so quickly. I have asked for a Bible and hope to receive it soon. I believe that my life will be changed by reading it. Thank you very much. Please continue praying for me.”

Pray for Cevdet and viewers like him in Turkey, as they recognise God’s work in their lives. Pray that they remain in touch with SAT-7 TÜRK staff, being a source of support and encouragement to one another. Pray with more faith and conviction today, as you too recognise that God is working everywhere.
